Certificate of Free Sale

It is hereby certified that the following sutures, which are being manufactured by CliniSut (Pty) Ltd at 25 Harrower Road, North End, Port Elizabeth, South Africa are not classified as listed electronic products in terms of the Hazardous Substances Act (Act 15 of 1973):

- **CliniGut**
- **CliniSorb**
- **CliniSorb Q**
- **CliniTro**
- **CliniSilk**
- **CliniLon**
- **CliniEster**
- **CliniSolv**
- **CliniMono Q**
- **CliniLene**
- **CliniLin**

These sutures are not subject to licensing in terms of the above-mentioned Hazardous Substances Act and may therefore be sold freely in the Republic of South Africa under the same name and composition, which includes being made available on government tenders.

Certificates of free sale are issued by the Department of Health as a service to South African exporters and do not imply approval by the Department of Health of any of the products in question.

Yours sincerely,

for **Director General: Health**
